Value Creation Story

Our group's mission is "Expand business domains and promote further evolution in our relentless attempt to create new value, which in turn contributes to realizing a prosperous society and sustainable growth." To achieve this, we have defined three visions (What we want to become) centered on the keywords "solving social issues," "mutual trust and co-creation with customers," "employee challenges and growth." By sharing and practicing the values (behavioral guidelines) embodied in our corporate slogan, "Go Where No One Has Gone Before," our executives and employees will strive for CSV—the continuous enhancement of both social value and corporate value.
